

Community Health Ontario and CMHA Ontario present:

## Integration Resources: An Online Tool for Healthy Community Collaborations

### FREE WEBINAR

Thursday, February 20  
12:00pm-1:30pm

Community Health Ontario (CHO) - an alliance between the Association of Ontario Health Centres, the Ontario Community Support Association and Addictions and Mental Health Ontario - together with Canadian Mental Health Association (CMHA) Ontario, recently launched the Integration Resources website ([www.integrationresources.ca](http://www.integrationresources.ca)) to help community health organizations survive and thrive in the world of integration pressures and opportunities.

#### Join us for this free webinar to:

- Learn more about effective integration efforts across the continuum of care
- Get a step by step walk through on how to find and access resources on the Integration Resources online repository
- Understand how to upload relevant and useful materials to the website so that others can learn from your experiences.

#### Presenters:

- David Kelly, CEO, Addictions and Mental Health Ontario
- Leah Stephenson, Manager of Members Services, Association of Ontario Health Centres
- Scott Mitchell, Director, Knowledge Transfer, CMHA Ontario
